13 people serve on the Governing Body. They are all volunteers

We are very lucky in Springwood to have a wide range of skills on our Governing Body, including a retired accountant, a senior lecturer, a cost controller at a large Hotel complex, 5 teachers, a production assistant, a retired social services inspector.

What do we do?

Governors are responsible for overseeing the management side of a school: strategy, policy, budgeting and staffing.

“ We aim to provide our children with the best possible learning experience and opportunities to do well ”

How do we do it?

We meet as a Governing Body about 6 times a year challenging the policies, processes and actions taken by all within school

In addition to meetings, Governors also visit school to meet with pupils and staff to observe day to day lessons and activities. We do learning walks, book reviews and join classes and chat with staff and pupils. This is a very rewarding part of our role as we get to see how the children enjoy learning and make progress over time, within our wonderful school.

If you see us at events, please come and say hi!

We love meeting with parents for a chat (and a coffee) to discuss your children's experience within our school.
